Mrs. Effa Manley
101 Montgomery Street
Newark, N. J.

Dear Mrs. Manley:

I am preparing to leave for Chicago within two hours and regret that I cannot go into this matter of Leon Day more fully. However, I may say that his name came up at a League meeting Wednesday night and he was promptly banned from League games. This Sunday's game, between Edgewater Giants and the Bacharach Giants, however, is not a League game and our league, the Inter-State League, has no jurisdiction over the contest.

As sports editor, I have talked with Dr. Joseph Thomas, who owns the club, and am writing him as I answer this, asking him to give the matter his sincere consideration. What his reaction will be, I cannot say, but frankly I fear he is going to use Day in this game. I shall inform of what he does upon my return from Chicago.

Very truly yours,
